**Subject : Request for Membership on the Be-cause Health Steering Committee**

Dear Members of the General Assembly,  
I am writing to express my interest in becoming a member of the Steering Committee of Be-cause Health.

As an active member of the “Access to Quality Medicines” working group, I have developed a deep commitment to advancing equitable access to safe, effective, and quality medicines.

I am particularly motivated to take on a more strategic role and contribute to shaping initiatives that strengthen health systems at a global level.

With my professional background as a pharmacist, I bring a solid understanding of pharmaceutical regulation, public health challenges, and access to quality healthcare. I am eager to leverage this expertise to support the Steering Committee in guiding priorities, fostering collaboration among stakeholders, and ensuring the impact and sustainability of ongoing initiatives.

I am especially interested in contributing to strategic decision-making, enhancing coordination across activities, and supporting the development of high-impact projects. I am confident that my proactive mindset, analytical skills, and strong commitment to public health would allow me to add value to the committee’s work.

Joining the Steering Committee would provide a meaningful opportunity to engage with a diverse network of experts and contribute to advancing impactful and sustainable health initiatives.

I would welcome the opportunity to further discuss my application and remain at your disposal for any additional information.

Yours sincerely,  
Alliance Hoyep Tchanchou
