Evaluation of BCH by hera

5-year planning: Results of workshop of 2/2/2021

BCH Evaluation and Planning workshop.

This section displays the results of the workshop, organized into several key areas:

- INTRO:** A slide showing the workshop agenda and objectives.
- FINDINGS EVALUATION:** A large table summarizing the findings from the evaluation phase.
- STRATEGY:** A diagram illustrating the strategic approach, including a central goal and various implementation pathways.
- EXPECTED RESULTS BECAUSE HEALTH:** A collection of colorful sticky notes representing the anticipated outcomes of the health interventions.
- ACTIVITIES:** A detailed breakdown of activities across two rounds (ROUND 1 and ROUND 2) for four main categories:
 - 1. SHARING:** Activities for groups 1 and 2.
 - 2. LEARNING:** Activities for groups 3 and 4.
 - 3. INFLUENCING:** Activities for groups 5 and 6.
 - 4. COORDINATING:** Activities for groups 7 and 8.

At the bottom of the page, there are two small orange boxes with text: 'Share it a nice way to interact, let's keep it simple' and 'Check it out, let's see if we can do it better together'.

Strategic framework 2022-2026: Changes

- Social protection – Rights based approach – Strengthening health systems
- her evaluation recommendations + changing external drivers
- Sharing
 - Include the South partners even more than before
 - Use virtual channels
- Learning
 - E-tutorials : B&R and new ones
 - Institutional memory
- Influencing
 - Revision of HC4All declaration
 - Combination of tools to influence Belgian policies
- Coordination
 - Proactive management of membership

Annual conference:
Climate change and health

Thank you Anselme!

Thank you Xavier!
