

Geographical access to emergency obstetric care for women living in the megacity called Lagos

Dr. Aduragbemi Banke-Thomas

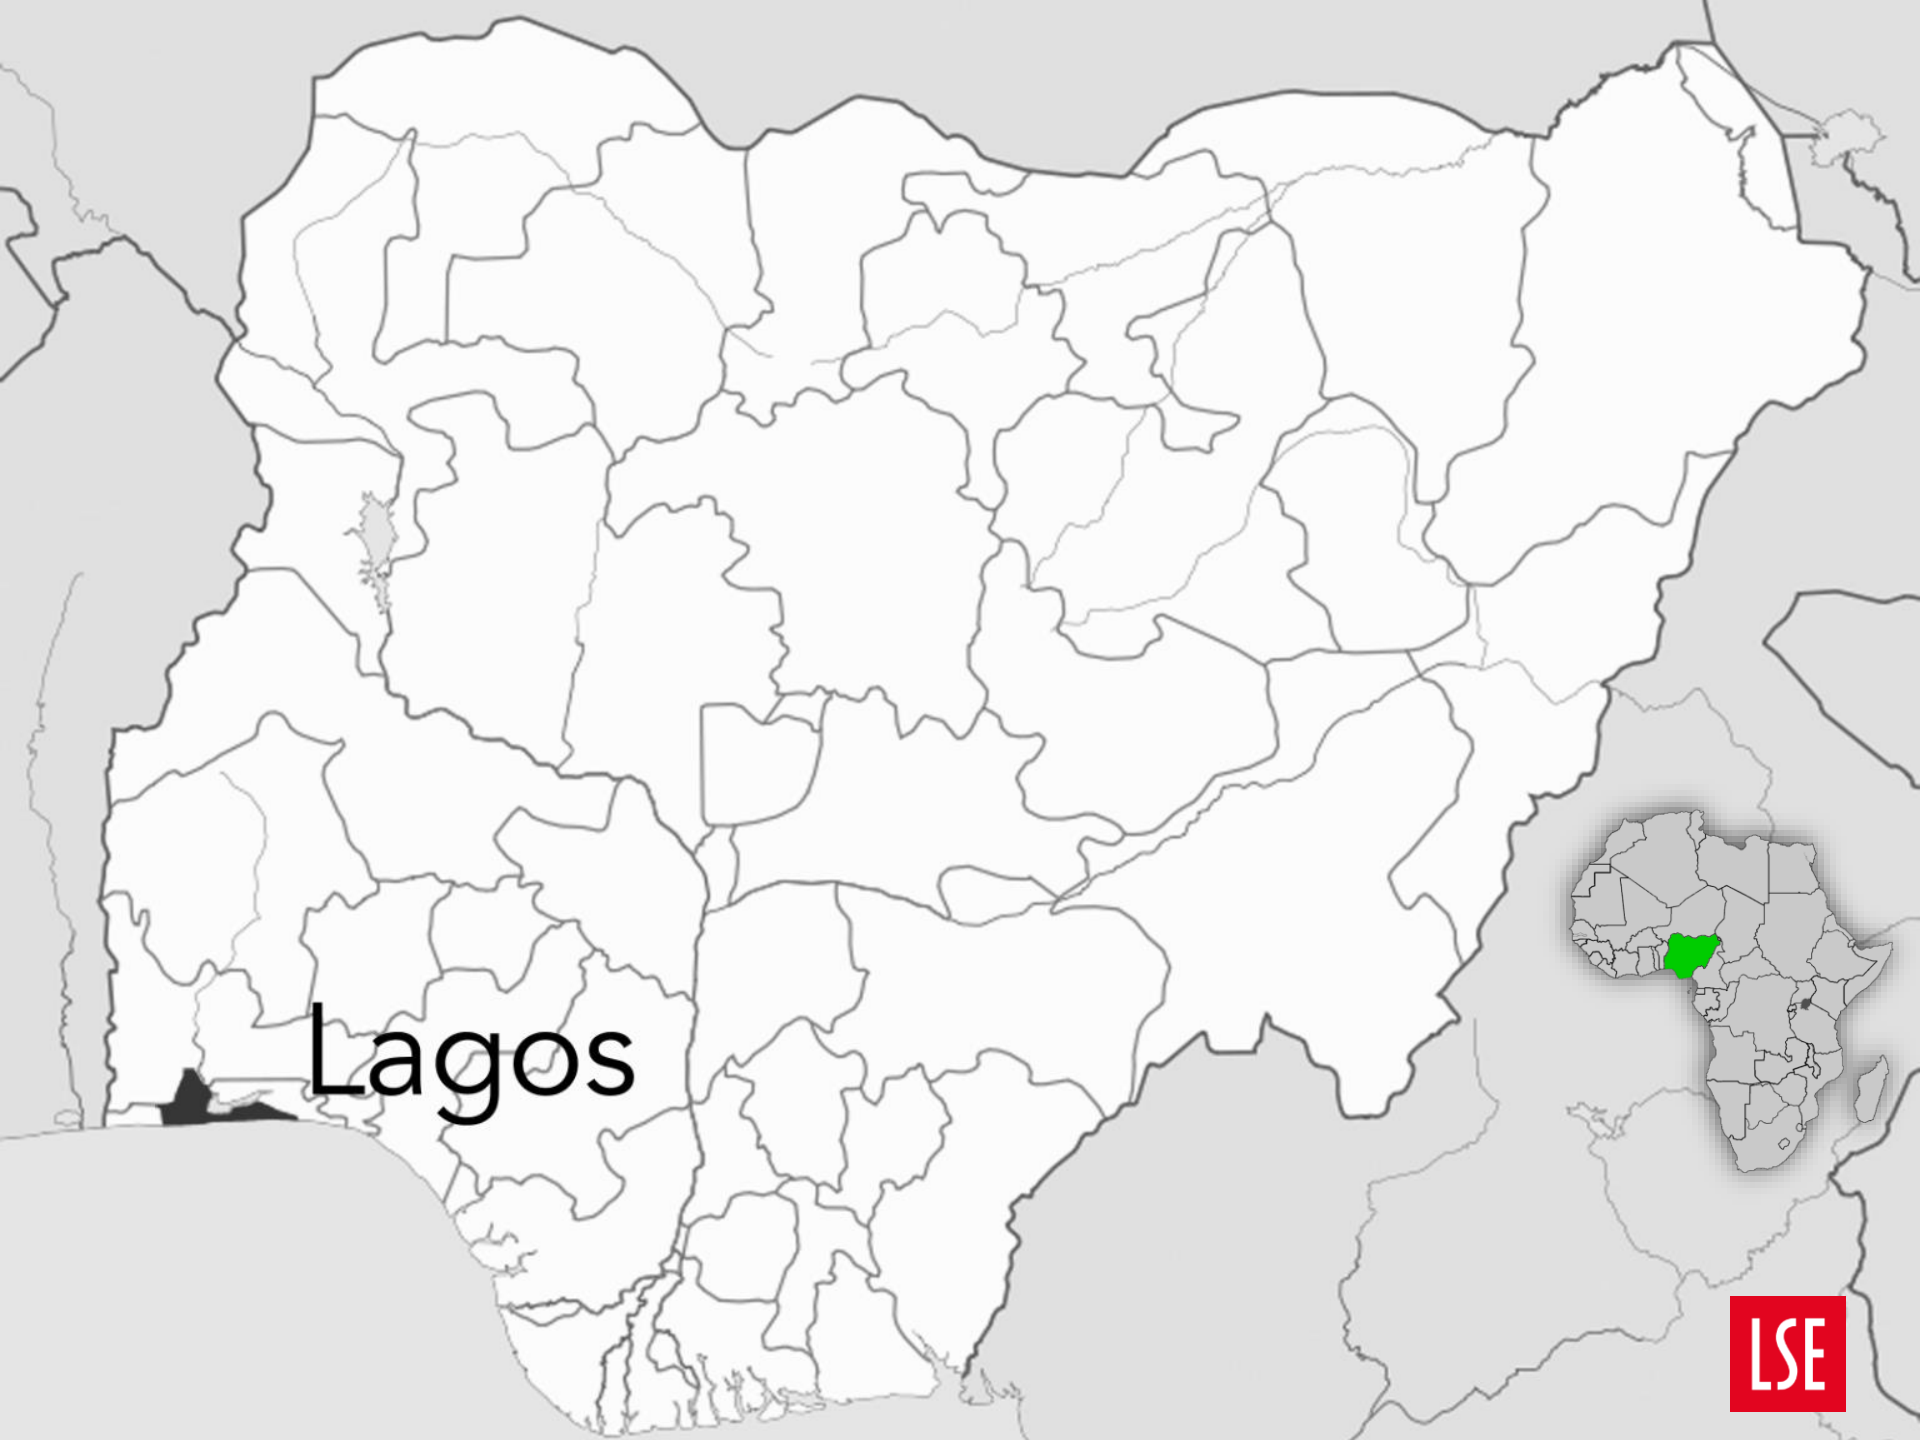

16th October 2019

THE LONDON SCHOOL
OF ECONOMICS AND
POLITICAL SCIENCE ■

Lagos

Reflection

Conflicting views?!!

We have strategically built facilities across the state. In fact, with the advent of the MCCs [Maternal and Child Centres], our mothers can go anywhere and receive the care that they need

Government

...The traffic to get here was just too much. I was just praying that I make it to the hospital and that my baby was still ok

Woman who just gave birth
