

# D4D Hub Digital Health Working Group

## In-Person Workshop on Telemedicine

### Event Details

**Date:** 22<sup>nd</sup> April 2024

**Time:** 14:00 – 17:00

**Location:** D4D Hub – BeCentral, Kantersteen 12, Brussels (Above Brussels Central Station) – Conference “Board Room”

Dear Digital Health Working Group Member,

The D4D Hub Secretariat is pleased to invite you to participate in the upcoming in-person workshop on Telemedicine

### Main Objectives:

#### 1. Facilitating Collaboration amongst EU Member States and with Partner countries

The Digital Health Working Group Workshop on Telemedicine will aim to foster collaboration between stakeholders from the European Union, whilst bringing perspectives from partner countries notably in Africa. By extending the invitation to experts, policymakers, healthcare providers, and technology innovators from both regions, the working group aims to facilitate knowledge exchange, share experiences, and forge partnerships to advance telemedicine initiatives that benefit populations.

#### 2. Showcasing Best Practices and Innovation

Another key objective is to showcase best practices and innovative approaches in telemedicine from both the EU and Africa. Through case studies, presentations, and interactions, the workshop will highlight successful telemedicine initiatives, technological advancements, and strategies for overcoming challenges. By sharing these insights, the working group seeks to inspire new ideas, promote replication of successful models, and drive continuous improvement in telemedicine services and delivery methods across regions.

RSVP: If you haven't done so, kindly confirm your attendance by 12<sup>th</sup> April latest, specifying your attendance modality (in-person or online) by e-mail to:

- VAN BASTELAERE, Stefaan: [stefaan.vanbastelaere@enabel.be](mailto:stefaan.vanbastelaere@enabel.be)
- ELANGA YANGONGO, Micky: [micky.elanga@d4dhub.eu](mailto:micky.elanga@d4dhub.eu)

Should you have any specific topics, case studies or questions you would like addressed during the workshop, please feel free to share them in advance.

If you have any inquiries or require further information, please do not hesitate to reach out to us.

Thank you, and we look forward to welcoming you to the workshop in Brussels.

Best regards,  
D4D Hub Secretariat
